

Another Successful Symposium!

The 2017 Club & Society Leadership Symposium is in the books with a record 265 alumni group volunteers in attendance. We celebrated the success of our 155 alumni groups as 91 reached Scarlet status, 30 reached Gray status and 29 achieved Carmen. A recap of the day is included in this issue of the Nutshell, with information about an upcoming webinar for those who could not attend. [View event photos.](#)
