

1. Go to <https://groups.google.com>
2. Click "Create Group"

3. Fill out Group Information

The screenshot shows the "Create Group" form. At the top is a search bar. Below it are navigation buttons: a back arrow, a red "CREATE" button, and a "Cancel" button. The form fields are: "Group name" (OSU Alumni Club of Jackson), "Group email address" (osu-alumni-club-of-jackson @ googlegroups.com, with a URL https://groups.google.com/d/forum/osu-alumni-club-of-jackson below it), "Group description" (Alumni Club communication central. You can reply to email and it will track all of our communications, with a 199 characters remaining indicator), and "Group's primary language" (English (United States) with a dropdown arrow). A red box highlights the email address field, and a red arrow points from the box to the text "This will automatically populate after you submit your group name".

4. Select Group Type and Basic Permissions (several options to choose from, Recommend Collaborative Inbox)

Group type

Group types are pre-configured settings for your Google group and make configuring your group a little easier. You can always change the specific settings and enable additional features to match your needs. Select a type to get more information.
